FONDATION - FOUNDATION
BATSHAW

Our mission

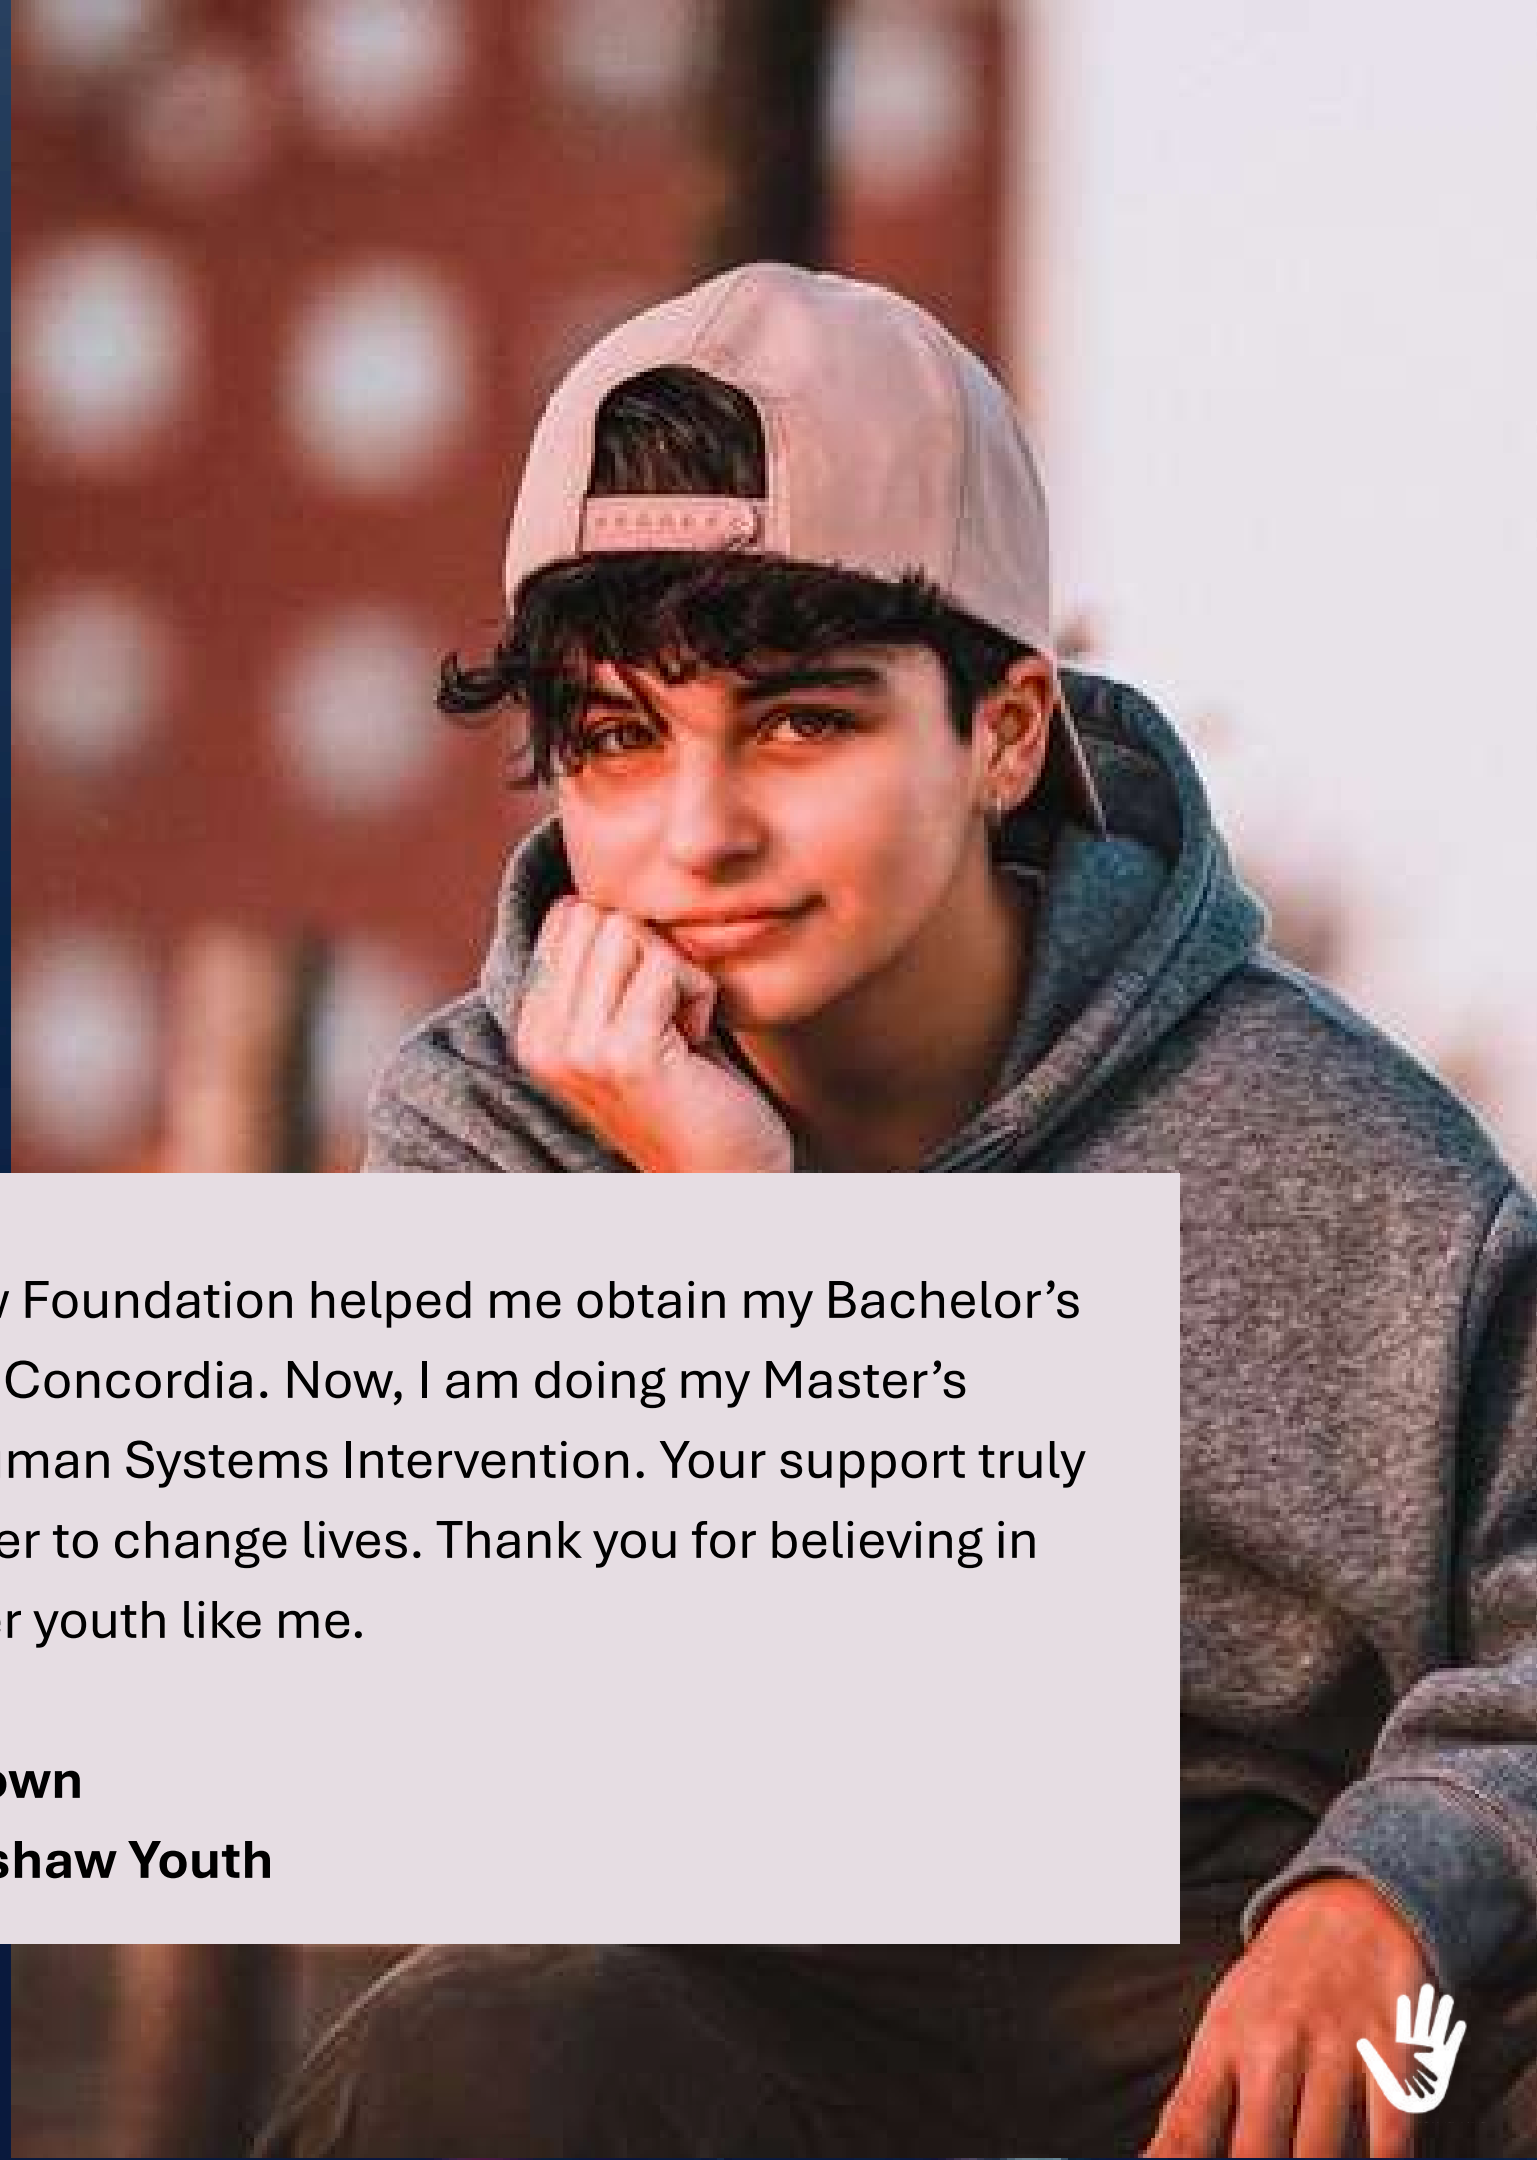

The Batshaw Youth & Family Centres Foundation's mission is to empower the vulnerable children, youth & families served by Quebec Youth Protection and other services for youth in difficulty, by providing them with funding, tools and opportunities so that they can unlock their potential and achieve success — now and into the future.

The Foundation supports the clients of the Batshaw Youth and Family Centres, where public funds are not available.

The Batshaw Foundation helped me obtain my Bachelor's degree from Concordia. Now, I am doing my Master's degree in Human Systems Intervention. Your support truly has the power to change lives. Thank you for believing in me and other youth like me.
